

### How to make a donation to the Tenkile Conservation Alliance Ltd.

Thank you for supporting the Tenkile Conservation Alliance. Your donation is valuable to us because it means we save lives in PNG – the lives of people, animals and their places. Your support will continue to provide valuable services to the 42 rainforest communities residing at the southern foothills of the Torricelli Mountain range. This will ensure the reduction of poverty for the people and the survival of not just the critically endangered Weimang and Tenkile tree kangaroo but for all species that live in the Torricelli Mountain range.

Payments can be made via telegraphic transfer, internet banking, cash or cheque deposits into the following account. Please provide your name or organisation as a reference and send us an email if you want your donation to go towards a specific project.
